(1) To Repair. If the repair, alteration, or improvement of the said dwelling, building, structure, or property can be made at a reasonable cost in relation to the present value of the dwelling, building, structure, or property, requiring the owner, within the time specified in the order, to repair, alter, or improve such dwelling, building, structure, or property so as to bring it into full compliance with the applicable codes relevant to the cited violation and, if applicable, to secure the structure so that it cannot be used in connection with the commission of drug crimes;

For purposes of provision (2) above, the Court shall make its determination of "reasonable cost in relation to the present value of the dwelling, building, or structure" without consideration of the value of the land on which the structure is situated; provided, however, that costs of the preparation necessary to repair, alter, or improve a structure may be considered. Income and financial status of the owner shall not be a factor in the Court's determination. The present value of the structure and the costs of repair, alteration, or improvement may be established by affidavits of real estate appraisers with a Georgia appraiser classification as provided in Chapter 39A of Title 43, qualified building contractors, or qualified building inspectors without actual testimony presented. Costs of repair, alteration, or improvement of the structure shall be the cost necessary to bring the structure into compliance with the applicable codes relevant to the cited violations in force in the jurisdiction.

(f) Attorney's Fees. In any action brought to enforce the provisions of this Ordinance, the Town shall be entitled to its attorney's fees and other litigation costs, such to be a lien against the property, unless the Court determines that the failure to comply with this ordinance was substantially justified based on the record as a whole.

(g) Action by Town to Repair or Demolish. If the owner fails to comply with an order to repair or demolish the dwelling, building, or structure, the Code Enforcement Officer may cause such dwelling, building, or structure to be repaired, altered, or improved or to be vacated and closed, or demolished. Any time during which such action is prohibited by a court order issued pursuant to O.C.G.A. § 41-2-13 or any other equitable relief granted by a court of competent jurisdiction shall not be counted toward the 270 days in which such abatement action must commence. The Code Enforcement Officer shall cause to be posted on the main entrance of any building, dwelling, or structure a placard with the following words:

"This building is unfit for human habitation or commercial, industrial or business use and does not comply with the applicable codes or has been ordered secured to prevent its use in connection with drug crimes or constitutes an endangerment to public health or safety as a result of unsanitary or unsafe conditions. The use or occupation of this building is prohibited and unlawful."

(h) Salvage. If the Code Enforcement Officer has the structure demolished, reasonable efforts shall be made to salvage reusable materials for credit against the cost of demolition. The proceeds of any moneys received from the sale of salvaged materials shall be used or applied against the cost of the demolition and removal of the structure, and proper records shall be kept showing application of sales proceeds. Any sale of such salvaged materials may be made without the necessity of public advertisement and bid. The Code Enforcement Officer and the Town of Resaca authority are relieved of any and all liability resulting from or occasioned by the sale of any such salvaged materials, including, without limitation, defects in such salvaged materials.

(i) Costs as Lien. The amount of the cost of demolition, including all court costs, attorney's fees and expenses awarded by the Court, appraisal fees, administrative costs incurred by the county tax commissioner or other official enforcing the lien, and all other costs necessarily associated with the abatement action, including restoration to grade of the real property after demolition, shall be a lien against the real property upon which such cost was incurred.

(j) Lien Enforcement. The lien provided for in paragraph (i) shall attach to the real property upon the filing of a certified copy of the order requiring repair, closure, or demolition in the office of the clerk of superior court in the

requested, to all interested parties whose identities and addresses are reasonably ascertainable.

(2) Copies of the complaint shall also be mailed by first-class mail to the property address to the attention of the occupants of the property, if any.

(3) A copy of the complaint shall be posted on the property within three business days of filing the complaint and at least 14 days prior to the date of the hearing.

(c) A notice of lis pendens shall be filed in the office of the clerk of superior court in the county in which the dwelling, building, or structure is located at the time of filing the complaint in the appropriate court. Such notice shall have the same force and effect as other lis pendens notices provided by law.

(d) Orders and other filings made subsequent to service of the initial complaint shall be served in the manner provided in this Ordinance on any interested party who answers the complaint or appears at the hearing. Any interested party who fails to answer or appear at the hearing shall be deemed to have waived all further notice in the proceedings.

Procedures under this Ordinance shall not constitute the exercise of the power of eminent domain by the Town of Resaca.
